

Saskatchewan Crop Organizations AGMs

Joining and participating in SLIDO as a voting member

January 10 – 11, 2022

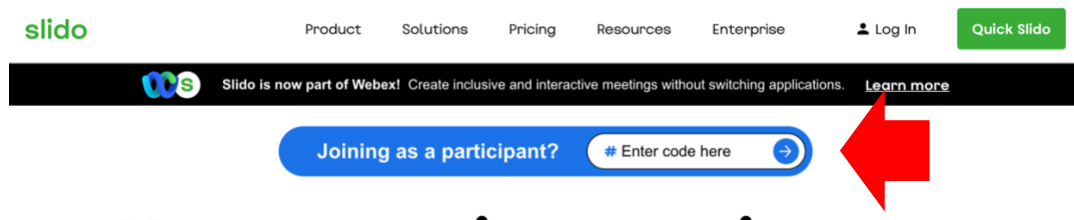

Slido is an interaction platform that enables you to **vote in polls**. Simply use your smartphone, computer, or other device.

Join Slido event

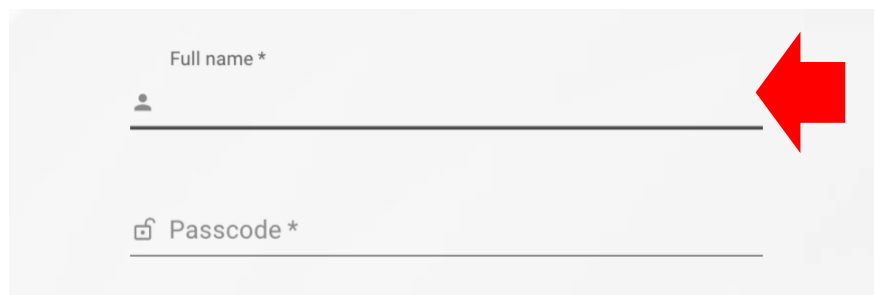

There's no need to download anything or sign up! All you need to join an event is an event code and participant code. If the organizer sent you the event link or a QR code, just follow it and you're in (see your email from individual crop organization you had previously registered with as a voting member. Please note, only voting members will have access to Slido).

For joining via the **#eventcode**:

1. Open slido.com in your browser
2. Type in the **event code (without the #)** to the **Enter event code** box

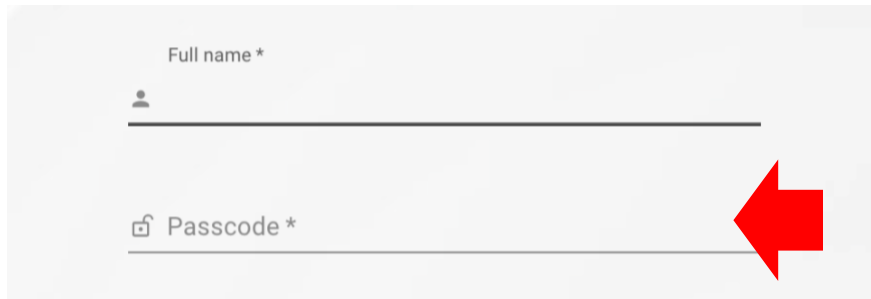

3. Wait to be re-directed to the event
4. Enter your **full name, first name** followed by **last name**.

The bottom field is labeled "Passcode *" and has a lock icon to its left. A large red arrow points from the right side of the "Passcode *" field towards the left, indicating where the user should enter the passcode.

Engage during the event

With Slido, you can easily be part of the discussion. When **Polls** are activated, you can vote for your preferred answer. Polls will stay live for 30 seconds.

Special notes

Each AGM you have registered for has a unique **event code** and **passcode**. Please refer to your email from each individual crop organization for these codes and instructions.

It is a good idea to join virtually through ZOOM on computer or tablet. A secondary device, such as a mobile device, will be best to access slido.com and vote during your registered AGM(s).
