Joining and participating in a webinar via ZOOM

January 10 – 11, 2022

How to join a webinar by invitation link

To join the webinar, click the link that the host provided you or that you received in the confirmation page after you registered (Eventbrite). If the host sent a registration confirmation email, the link can also be found there (MailChimp).

How to manually join a webinar

1. Locate the meeting ID/webinar ID from your registration email. It may appear at the end of the phone dial-in information, or it will be in the join link, just after `https://zoom.us/j/`
2. Sign in to the Zoom desktop client or mobile app.
Note: You do not need to be signed in to the Zoom client, but if not, you will need to provide a name and email address to join.
3. Click or tap **Join**.
4. Enter the webinar ID, and click **Join** or tap **Join Meeting**.
5. If prompted, enter your name and email address, then click **Join Webinar** or tap **Join**.

Waiting for the host to start the webinar

If the host hasn't started broadcasting the webinar or is preparing using a practice session, you'll receive one of the following messages depending on your device type: **Please wait for the host to start this webinar** or **Waiting for the host to start this meeting**.

If you receive a message showing the date and time of the webinar, check the date and start time of the webinar including the time zone. Make sure to join when the webinar starts.

Are you joining virtually as a voting member?

It is a good idea to join virtually through ZOOM on computer or tablet. A secondary device, such as a mobile device, will be best to access slido.com and vote during your registered AGM(s).
